2. Mr. W. E. White of the Texas Forest Service, appeared and presented a resolution setting up the community forest plan, and upon motion of W. D. Winston, Jr., seconded by G. E. Barington the following resolution was adopted by a unanimous vote of the Council. The resolution is as follows:

RESOLUTION

BE IT RESOLVED that in accordance with the recommendations for the development of the city owned areas as indicated in the attached report by the Texas Forest Service which will become a permanent part of this resolution, the City Commission hereby designates the said areas to be held and managed as a community forest as of this date. Any lands thus designated will be managed continuously according to the best forestry practices and with the full development of the recreational, wildlife and other supplementary values as far as consistent with good forestry.

The community forest areas will be managed by a board

242  
of nine trustees which will include business and professional men of Lufkin and be first appointed by the City Commission. This committee will serve for a period of six years and will thereafter be carried on by the Committee itself through the election, or re-election, of three members each two years starting at the end of the sixth year, subject to the approval of the City Commission.

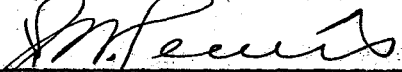

The Board of Trustees for the Community Forest will be guided in any work done by the Texas Forest Service or other competent technical forestry advice. A record of recommendations of such technical advice should be made a part of the records of the community forest.

Additional areas may be added to the Community Forest upon recommendation of the City Commission or the Board of Trustees with the approval of the City Commission.
