Interim City Manager Kevin Gee stated the State of Texas had recently enacted a statute that would go into effect this month limiting how and when a dog can be tethered. Interim City Manager Gee furthered the statute created several exceptions to the prohibition of tethering which would make enforcement of the statute extremely difficult for Animal Control or the Lufkin Police Department. Interim City Manager Gee stated to provide for better enforcement and for the safety of the dogs, an Ordinance prohibiting tethering had been prepared. Interim City Manager Gee furthered the only exception to tethering would be when the animal is in the immediate possession of and accompanied by the owner. Interim City Manager Gee stated the Ordinance was penal and any violation of the Ordinance would be a Class C misdemeanor and punishable by a fine not to exceed five hundred dollars (\$500.00). Interim City Manager Gee concluded Staff recommended City Council conduct a Public Hearing and consider Second Reading of an Ordinance prohibiting the tethering of dogs within the City of Lufkin.

Interim City Manager Kevin Gee stated there had been an increase in people horseback riding in the city limits of Lufkin. Interim City Manager Gee furthered the use of horses on the roadways created traffic safety issues and the use of horses on the sidewalks and walking paths also created pedestrian safety issues as well as health concerns. Interim City Manager Gee furthered the ordinance was penal, and any violation of the ordinance would be a Class C misdemeanor and punishable by a fine not to exceed five hundred dollars (\$500.00). Interim City Manager Gee furthered the two proposals described as Plan 1 and Plan 1a had been distributed to Council at that time. Interim City Manager Gee stated Redistricting required a Public Hearing in order for City Council to receive input regarding the proposed plans. Interim City Manager Gee furthered should City Council decide to alter either of the proposed plans, the Public Hearing and publication process would need to be repeated. Interim City Manager Gee stated Eric Magee, with Allison, Bass & Magee was present for any questions regarding the process and proposed plans. Interim City Manager Gee concluded Staff recommended City Council conduct a Public Hearing and consider approval of the Order for Redistricting.

Councilmember Robert Shankle asked if one of the boundary lines between Ward No. 1 and Ward No. 2 for Plan 1a could be straightened to follow Timberland Drive. Mr. Magee addressed the question and explained the change would create a deviation above the ten percent (10%) allowance. Councilmember Trent Burfine questioned as to why the census blocks were not of equal size. Mr. Magee explained the census followed boundaries that were easily identifiable, and within the City that would be the roadways. Mr. Magee also stated that within those boundaries the type of housing such as an apartment complex or senior living facility would affect the counts. Councilmember Rocky Thigpen asked for confirmation concerning the boundary change in the area from Pershing Avenue to Reen Drive. Mr. Magee confirmed the change was part of the proposals selected by Council at the December 21st meeting.

Mayor Mark Hicks opened the Public Hearing at 5:34 p.m. Mr. Roshin Rowjee spoke and asked Mr. Magee if there was a reason a citizen could not access the links to the census data in order to map out wards and submit to City Council. Interim City Manager Gee stated there were four (4) other vacancies and the Board recommended City Council consider approving the appointment of Heather Hatton, Dr. Manda Rosser and Rodney Ivy as well as the reappointment of April Sebesta; this would leave one vacancy to be filled. Interim City Manager Gee concluded Staff recommended City Council approve the recommended appointments as stated.

Councilmember Robert Shankle asked for confirmation that only the Kurth Memorial Library Board could recommend members. Interim City Manager Gee confirmed this and stated it was part of the by-laws and agreement. Councilmember Guessippina Bonner expressed concern if the board appointments must be approved by City Council then they should have the opportunity to appoint members to that board. Councilmember Bonner also stated her concern at the lack of diversity with the Board. Board member and Treasurer Lin Lentz spoke and stated the Board had always tried to increase diversity among the board members. Mr. Lentz stated the Board would welcome continued suggestions from Council. Councilmember Bonner asked if there was a certain time of year when the positions would become open for appointment. Mr. Lentz addressed the question and discussion ensued. Councilmember Trent Burfine asked how many years members served and how many

members were on the board. Kurth Memorial Library Director Lorraine Simoneau addressed the question and stated there were eleven (11) positions on the board plus two (2) ex-officio and each position had a term of three (3) years. Director Simoneau explained members could choose to be reappointed for a second term of three (3) years but must sit off for a year if they served two (2) consecutive terms.
