The question of securing right-of-way from E.A. Bandlow through his property for the construction of High Way No. 40, was discussed. It was agreed that the City would pay him the sum of \$150.00 for said right-of-way and rebuild or build necessary fences to keep his stock inside his own property. Mayor C.A. Burke was authorized and directed to make the offer as aforesaid.

A proposition was made by Attorney for the J.D. Moffett Heirs, through C.A. Burke, Mayor, to settle the controversy about right of way for extension of Highway No. 40 (Denman Avenue) through said property, which has already been condemned for street purposes. The Attorney stated that his clients, the J.D. Moffett Heirs would settle for the sum of \$400.00, or that if the City would not settle on that basis they would be willing to try the case in County Court, where same is now filed, and that said trial could be had at this term of the County Court provided the City would waive service as provided by law because service had never been had in the case against the City. The matter was discussed after which it was unanimously decided that refusal to settle for \$400.00 should be made and that the city would not waive service as above stated. The matter was passed for further consideration.
