W. A. Abney, Commissioner of Ward No. 4 represented to the City Commission that the Abney Heirs have been charged with the cost of paving Pine Street intersection on the North Side of Abney Avenue, 60 feet in width; whereas the City should assume that cost. After considering the question and investigation of same it appears that the street known as Pine Street running north from Abney Avenue had never been dedicated

Burke that the City pay to the Abney Heirs the sum of \$172.20, which represents the cost of the property owners part of said street intersection, 60 feet in width, as soon as a street dedication or deed of conveyance was made from the Abney Heirs to the City, passing title of said street to the City of Lufkin, Texas, said street to extend the entire distance from Abney Avenue northward to the north boundary line of the Abney property as it now stands of this date. The motion was put by the Mayor and same carried unanimously.
