There had been previously filed, two petitions in protest to this zone change from residence citizens in the Eastwood Addition and from members of the Lutheran Church. Also present in protest of the zone change was Mrs. Ward, Smith, Nesbitt, Connell and Brown, who stated that since this application was to lower the zone to a district low enough to permit the erection of a packing plant, that they thought that it would be detrimental to their comfort to have the plant located so near their homes. Mr. Everitt Haley was also present and stated that since the protest was a complete surprise to him, that he would appreciate a later hearing on the matter. After some discussion it was agreed to postpone hearing on this application until the regular meeting in December.

4 Motion was then made by B. F. Milligan and seconded by L. C. Martin to change zones as requested by Mr. J. T. Hudgens. Motion carried by unanimous vote. It was moved by L. C.
