Mr. E. V. Cromwell was present before the City Commission and made a talk in support of the City installing Sanitary Drinking Fountains at suitable places in the business district of the City, he giving as a reason for doing so that places like his, (a drug store) was made headquarters for getting ice water, and that he felt like it was more or less an imposition on him and others similarly situated. His argument was listened to and the question was discussed, but was passed without action.

-----oOo-----

Mr. T. J. Mankin was present and suggested that something should be done to protect the Air Port from washing, and made the suggestion that in his opinion some sodding could be done without much expense. He was informed that it was the plan of the City Commission to make an effort to have WPA do some sodding on the field at the time they return to build the road from Highway No. 40 to the Air Port sight. No further action was taken.

-----oOo-----

Mr. Ray Roberts, representing the NYA was present and made a talk in behalf of the setting up of a NYA project for girls and young women who are eligible for such work, and asked the City to sponsor such a project. After due and deliberate consideration of the matter, it was moved by W.D. Winston J.

and seconded by J. E. Jay that the City sponsor such a project and to permit the use of the old J.E.Wilson Building on Denman Avenue, on condition that that the County pay to the City the sum of \$25.00 per month, representing one-half of the rental value of the property and to also pay one-half of all utility bills. The City not to be put to any expense whatsoever, except the furnishing one-half the rental value of the building and one-half of the utility bills. The mayor put the question and it carried unanimously.
